<p>PASTOR'S CORNER Two weeks ago at Epiphany we saw the manifestation of Jesus to the nations of the world. Last week, at His baptism we saw his solidarity with us all and today we see His merciful "sign" at the wedding in Cana and realize that he manifests Himself in our ongoing needs.</p> <p>In today's gospel we see how Jesus begins His ministry with what was a simple act of mercy toward a newly married couple. Also, His very presence at the wedding and his working His first miracle there shows us how important He considered this bond between a man and woman – a sign showing the intimate love God desires to have with all his people.</p> <p>Possibly the most important aspect of the sign of the changing of water into wine points to the Eucharist and the shedding of His blood for us, His blood, which represents His life and His blessings given to all who seek nourishment from Him. God bless you all.</p>	<p>www.proximotravel.com. 9 DAYS FOR LIFE..... Join thousands of Catholics nationwide in the annual pro-life novena, 9 Days for Life, Monday, January 14 - Tuesday, January 22. <p><u>Prayer after Communion</u> "Oh Sacrament Most Holy, Oh Sacrament Divine, All praise and all thanksgiving, be every moment Thine" is a beautiful prayer from a Eucharistic hymn of the 15th century. Please join Father Wilmot in praying it aloud after Communion.</p>	<p>NATIONAL SANCTITY OF HUMAN LIFE DAY..... On the third Sunday in January Churches around the United States celebrate God's gift of life, commemorate the many lives lost to abortion, and commit themselves to protecting human life at every stage. With over 3,000 abortions in the United States each day, we are fortunate to have a local ministry dedicated to protecting the sanctity of life, right here in our community. Since 2006, First Choice Clinic has been a resource for those facing an unplanned pregnancy. Through the various programs and service, they offer at no cost, they are able to empower and encourage people to make life-affirming choices. Over the years, First Choice Clinic has helped welcome over 200 babies into the world who might have otherwise been lost to abortion</p>
